Dear Marilyn

It's really lots of fun knowing you
and having you in our class. I hope
enjoyed it just be-u-tiful.
Good luck your next 3 years of
School.

We represent the cats
and kittens of B.H.S. and
we're here to tell you
the mews and the meows,
the spats and the purrs
of 1947.

And Mew!

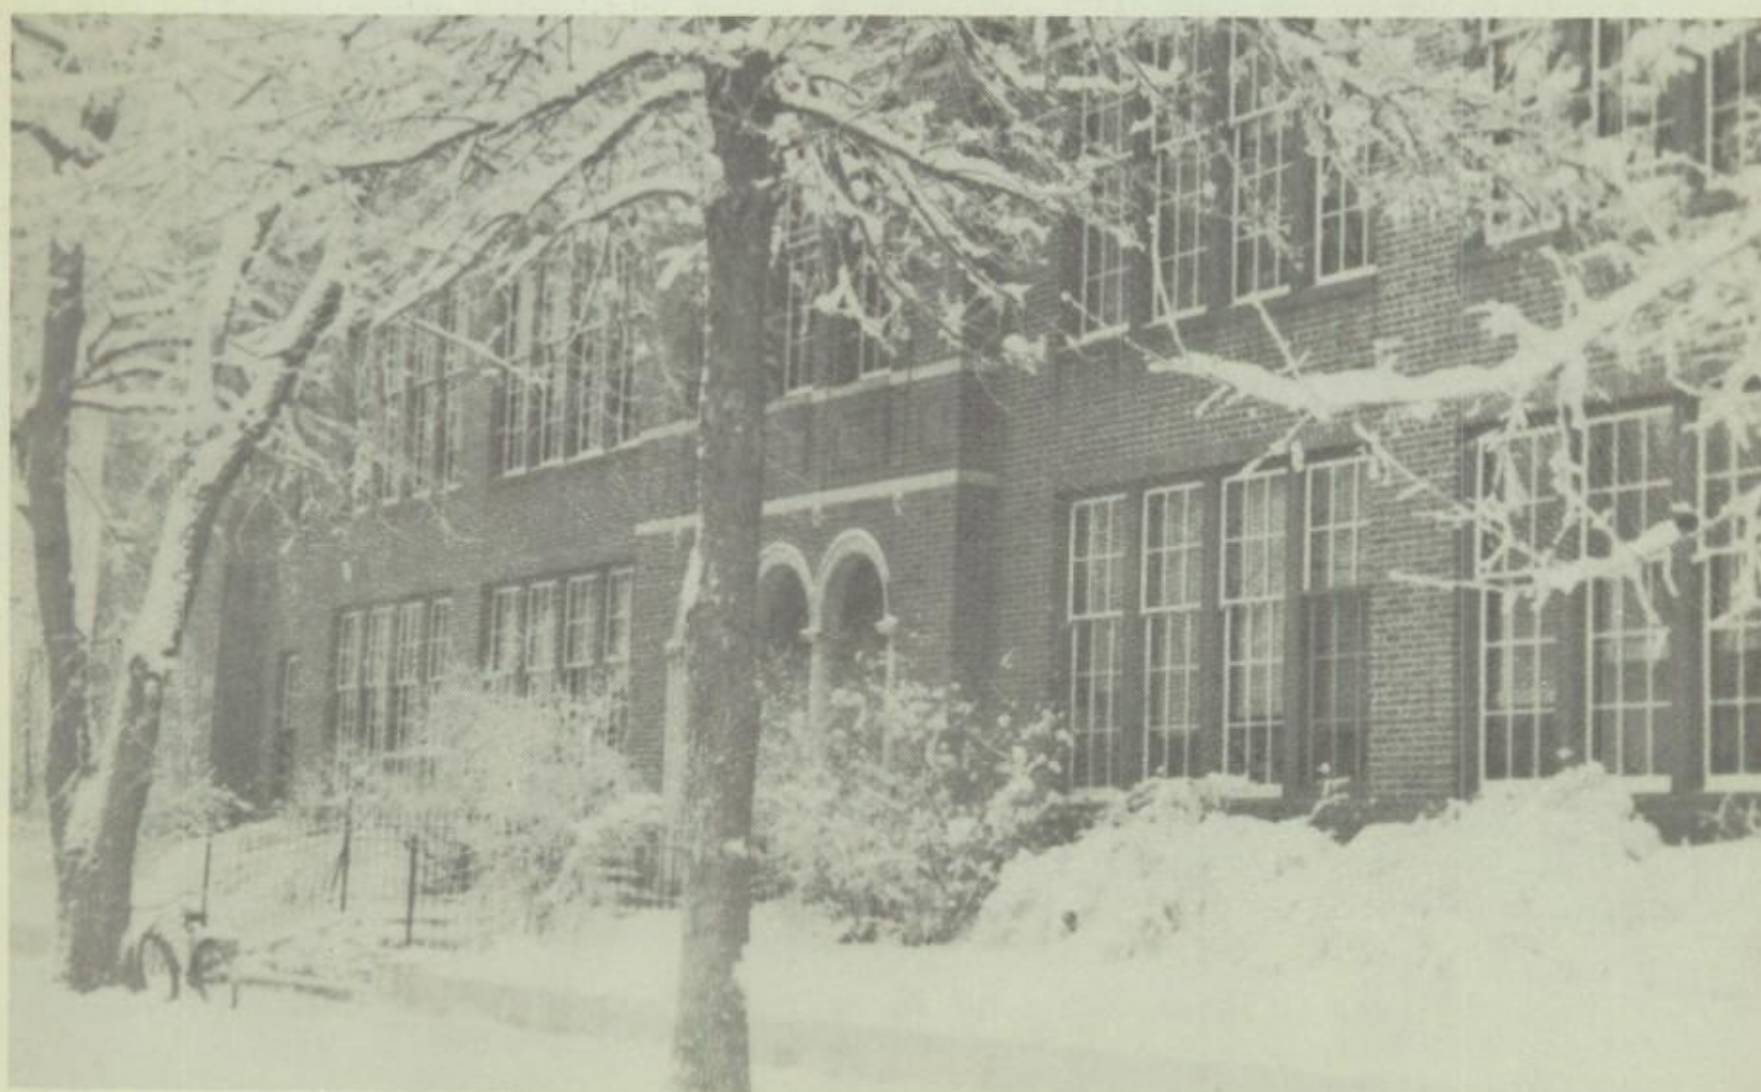

In deepest gratitude for his guidance
and help to the students of B.H.S.
throughout the year of 1947, we dedicate
this book to Mr. J.E. Martin, Superintendent
of Brookings High School.

OUR HIGH SCHOOL

After four years of life in this building we seniors have come to the parting of our ways. In years to come we can look back at it and remember all the hours of work spent here. We shall not forget the happy times enjoyed within these walls, whether it has been at parties, in extra-curricular activities, or in classes.

THOSE WHO GUIDE US

The School Board: A. M. Eberle, Mrs. C. D. Shea, Carl Kjellsen, D. B. Doner, Swend Christensen

It was up to us, the members of the Student Council, to form the governing body of BHS in which the students were represented. Each one of us was elected by his home room. This year's student body president, Paul Stumley, guided us along the way, aided by vice-president, Doug Christensen. On the recommendation of the council new fluorescent lights were put in the library and fountains were installed in the halls. We sponsored the homecoming activities for Bobcat day, which was October 18. After game dances were organized and pep meetings for the conference games were planned. During the second semester all teen-agers enjoyed the recreation center which we promoted. Final plans for the center were drawn up by a committee composed of members of the Junior Chamber of Commerce and students chosen from the high school.

Rotarian of the month

This year the Rotary Club invited one senior boy each month to attend their weekly luncheon meeting. The boys were told about the club and the meaning of Rotary. They were chosen by the superintendent, principal, and a committee of the club for scholarship, leadership, and achievements in extra-curricular activities.

The Rotarians were: Paul Stumley, Robert Koerper, Gardner Johnson, Wayne Johnson, Herb Bartling, Kermit Nelson, John Collins, and Ed Dittmer.

RAH! RAH! RAH! CATS

Helen Hansen, Blake Kellogg, Marlene Brick, Richard Petersen, Nancy Kendall.

Leading the student body in cheers and arranging pep meetings, we strove to "fire up" our team. Our famous "Swing Yell" won state-wide recognition when it was broadcasted last year at the state tournament. Uniforms were bought with money raised by selling pennants.

As the band marched down the street on Bobcat Day and out to the field for every football game, you would see us twirling and high stepping out in front.

"I, a letterman of Brookings High School, pledge that I shall try at all times to further the standards of BHS, hold a strong belief toward the Sportsman's Creed, and to show sportsmanship in all that I do." This is the pledge of the members of the Monogram Club.

This year's officers were Keith Doner, Pres.; Gene Cheever, V. Pres. and Neil Patterson. Coaches Ginn and Bell were advisers.

To secure funds for the Club's treasury we sold pencils which had the basketball schedule on them. To promote good sportsmanship among all boys we arranged an intramural basketball league. Captains were Don Back, Roger Pickett, Wayne Johnson, Paul Stumley, Michael Sutton, and Clinton Hakeman.

For the pep meeting for the Huron basketball game a skit was presented by the club. Remember James Sprague as Miss Schlender and Doug Christensen as Supt. Martin? We're sure they do!

It is our hope that BHS may always be a sportsman's school.

QUILL AND SCROLL

Quill and Scroll, International Honorary Journalism Society, includes eight members who must be in the upper third of their class in scholastic rating, must have done superior work in some phase of journalism, and must be recommended by an adviser. Former members are, FRONT ROW: Barbara Revell, Gene Cheever, Shirley Rymerson. New members are, BACK ROW: Barbara Baker, Charles Welch, Robert Wilkens, Royal Doner, Jeanne Christensen.

Brookings High School Bus

We, students of BHS, are proud to call this new red and black bus our own and to use it on various school trips. Cal Polsean is the driver of the bus.

THE BOBCAT STAFF

Staff members at work include: June Moberg, Gladys Linn, Lucille Beckman, Marge Larrabee, Shirley Rymerson, Donna Eddy, Gene Cheever.

Skipping movies, spending hours in Miss Helland's room, working into the wee hours of the morning were some of the sacrifices twenty-seven Bobcat people made to bring this yearbook to you on time. Each one of the working crew had at least three pages for which he supervised the taking of pictures, identified persons, wrote copy, and counted headlines. Editors Shirley Rymerson and Bob Wilkens are at right.

Each Thursday night, a week before the Broboca is ready, the typing rooms house a group of mad working staff members. On Friday and Monday the copy is taken to the printers; after correcting proof on Tuesday night, the editor makes the dummy. Many hours are spent filling spaces, identifying pictures, and writing headlines. Wednesday a stone copy is read for corrections, and the Broboca is ready to be printed. The paper is off the press on Thursday and is circulated to BHS students on Friday morning. Every other week Brobocas are sent to nearly two thousand persons. Last year's Broboca received an All-American rating in the national contest. If they had as much trouble as we have had we repeat, "How did they do it?"

We bookworms really turned the library upside down this year with the filing of our voluminous collection of pamphlets and the mending of books torn by fellow book lovers. We members took turns in setting up new displays twice monthly and keeping our scrapbook of school activities up to date. During bookweek in November we stressed the theme "Books are Bridges." The display, story hours for the grades, and assembly program made it a highlight of the year.

At our regular meetings our president, Mary Parker, and adviser, Miss Hess, told us how to make our library more efficient. We became more interested in library work as a profession. Although we had our work, we had our fun at our meetings. Every minute was well spent and will be treasured by us bookworms.

WE LOVE TO SING

"Like a choir of angels"—whenever our chorus sang that phrase Mr. Weber probably wanted to grin, but with the atmosphere that was created at the Christmas program by candle lighting and the inspirational Nativity scenes the illusion was created. With the "L'Allegro" and boys' chorus adding their well-sung bits, the program reminded people of the ancient, religious message of Christmas.

Being a versatile group, the vocal department provided a variety of music and on many occasions, our wide smiles and tapping feet revealed how much we enjoyed the lovely Negro spirituals that we sang at the spring concert. The boys' chorus was always a source of favorite entertainment and the L'Allegro delighted both public and private audiences with their variety of familiar classics. The several small groups were organized and answered the request for music from organizations both in and out of school. In addition to successful programs featuring all divisions of the department and the numerous smaller programs representing it only in part, the ensembles and choruses participated successfully and enjoyably in the festival and contests, winning superior in all divisions.

Vocal Ensembles

The Nativity Scene (1) was one of the many beautiful tableaux of the Christmas Program. The L'Allegro is a traditional organization of girls chosen by Mr. Weber. The history of the boys' chorus is much shorter, but the volunteers to this group have made it a popular one. The mixed octet (2) — Christensen, Stumley, Sloat, Petersen, Tellinghuisen, Hansen, Miller, Norman; boys' quartet (3) — Lunden, Petersen, Stumley, Christensen; girls' quartet (4) — Hansen, Tellinghuisen, Bruce, Miller — were a credit to the vocal department.

MUSIC IN THE AIR

Band! What a lot of memories that word invokes! Playing for those football games! Basketball games, the horse show, the spring concert, and then those summer concerts. The uniforms were always too hot or too cold! At snowy football games we'd wear lots of sweaters, and then in the summer we'd practically melt, but the band was always there. I'm still wondering what our Bobcat Day formations we made looked like. Everyone said they were really good, but we couldn't imagine it. And the next day—Hobo Day! We were all marching in our sleep after that! But the weather was nice then—we were probably thinking about last summer when we were honored by playing in Pipestone on July Fourth in the blazing sun. What an experience—being a carnival band for a day! More serious work came as we prepared for the solo and ensemble contest and later the band festival and contest. The time and work were well spent, though, since we came out very successfully. Most of all, though, I remember how people used to say that the game was never quite complete until the band began to play some stirring march, or that Sunday evening

wasn't complete without hearing the band upon the balmy breezes. It makes those squeaks and other awful sounds we emitted in the time of practice seem really worthwhile.

Oom pah pah!! The pep meeting has started. Amidst the shouts and stamping of feet is heard the pep band, conducted by our clowning Maestro—Walter Sharp. We were glad to learn that we contributed greatly to the "atmosphere" of the meetings and especially to out-of-town games.

ORCHESTRA

To the orchestra and pit orchestra was given the duty of assisting in the presentation of plays by providing a musical prelude and playing during intermission. They also took part in the Christmas and spring vocal concerts. The way we strained our eyes to read the music during the dark scenes of the Christmas program must have provided our local optometrists with plenty of business.

SYMPHONY OF STRINGS

Everyday our ears took a beating for a while, too, until the strings were tuned, but after that the sounds were really rather soothing. The string and woodwind ensembles were good examples of what could be accomplished when talented individuals worked together in small groups. The orchestra, besides providing music for the pupils in sixth period study hall on Tuesdays and Thursdays, also helped to develop musical talent among the students of BHS.

"They can't do this to me!" cried Blake Kellogg. "Can't we?" snapped the school principal, Robert Foster, and we were off on a delightful evening in "Almost Summer."

Paul (Blake Kellogg) is struggling violently to avoid summer school and at the same time keep his girl, Patty Kennard, from a campus big shot who drives a cream yellow convertible coupe.

In order to keep away from summer school and keep his girl, Paul starts a terrific cram session in order to pass his final tests. His maneuvering always seems to get him deeper and deeper in trouble, like the time he bashed the principal's car, got blamed for all the other things he didn't do, and still to top it all he took a strong emetic by mistake—and just that moment his girl had to come in demanding that he "sit right there and study."

"You don't know what you're asking" pleads Paul, but the audience does and they roar at this happiest of comedies.

Trouble, trouble, and still more trouble was the result in "Peck's Bad Boy" when Dick Petersen, Wayne Nesby, and Donna Eddy got the idea that there just wasn't any encouragement to be good.

Besides epsom salting the sugar, mixing hair in Bob Wilkens' tobacco, and trying to feed the poor man with crushed moth balls, the three trouble makers involved themselves in Charles Lunden's love affair and were the unwelcome, unseen guests of the living room much to everyone's dismay!

Even if Margaret Sorensen threatened to quit no less than fifty times and henpecked Mr. Peck was on the verge of a nervous breakdown, Dick finally brought the whole entanglement to an all right ending by his terrific brainstorms.

Charlie and his love interest.

Shame, shame, says Sharp to maid, Clara his girl friend.

"To be or not to be" wasn't the question in Cue Club. We just looked, listened, and tried to hear without too many scoldings what it is all about that makes up our motto "The world is a stage." Remember the good times we had. All that good pheasant at our fall supper in the mellow glow of candle light and when we sang "Daisy, Daisy," in the Movie Community Sing. Not to slight the night we met Santa Claus at the Christmas Dance when he gave presents to everybody—good or bad be the kids. And the times our good prexy Gladys Linn had chasing around to make sure the plans for the Novelty Party were all right or that a movie had been picked for the Theatre Party. Those were the days when we all had lots of fun between laughing at "Almost Summer" and "Peck's Bad Boy."

G.A.A. BOARD

The 1947 G. A. A. Board. Back row, Annmae Moberg, social chairman; Myrna Allison, head of track; Margaret Dokken, finance; Fern Johnson, basketball; Dorothy Oleson, tumbling; Carol Gilkerson, speedball; Gladys Linn, secretary; Rosemary Miller, vice-president; Mardella Smith, recreational games; June Moberg, volleyball; Betty O'Leary, soft ball; Lucille Beckman, president; Jean Peters, art and publicity; Glorice Hill, finance assistant.

Members of our G. A. A. board were chosen from the whole organization of the previous year. They are elected, and the results are made known at our annual spring banquet. At this banquet a personnel adviser from an outside college or university is our guest speaker.

G. A. A. is among the largest organizations in high school. We sponsor an all girl costume dance, an all high dance, a G. A. A. party, and several programs.

Below are informal shots of the board. Seated at her desk in the picture at the right is our adviser, Miss Crabbs.

WE PLAY

When we have gone our separate ways, one of our favorite memories will concern the hours spent in G. A. A. earning points while playing basketball, softball, or some other game.

Awards are given to those of us who have earned a sufficient number of points. A letter is given for one thousand points, a medal, for two thousand points; and a bracelet, for three thousand. Each of our sports lasts approximately six weeks. One hundred points are given to each girl who attends the full time. Extra points may be made by roller-skating, ice-skating, bicycling, hiking, playing ping pong, or badminton. (See pictures 8, 3, and 11.)

We chose all star teams for several of our sports. The all star basketball team (see pictures 6 and 14) performed for a high school assembly.

IN G.A.A.

The advanced tumbling team (picture 1) performed between the halves of a basketball game and for assembly. The Head of Tumbling is shown helping the beginners in picture 10.

During the fall season, when one of our number was slightly injured playing speedball, picture 2 was taken.

Softball (pictures 9 and 12) and track (picture 7) were our spring sports because they must be held out-of-doors when the weather is nice.

Pictures 5 and 13 are merely informal shots of some G. A. A. girls before and after their basketball game.

Nila Marth and Nancy Kendall, dressed as snow men (picture 4), were chosen king and queen of the Jentless Jive, our annual costume dance.

FUTURE FARMERS

FOURTH ROW: W. Harming, J. Walker, W. Jensen, C. Hakeman, K. Kennedy, D. Justice, V. Smith, H. Walker, B. Durland, C. Jensen, B. Eberle, H. Kurtz, W. Meyer, H. Berkland, R. Kurtz. THIRD ROW: B. Ahern, H. Watson, J. Maley, D. Harvey.

"The meeting will please come to order." Remember those F.F.A. sessions with John Collins presiding? This has been a busy year starting with five boys going to the national F.F.A. convention in Kansas City and having an enjoyable week besides more helps for future work in the club. Then came the State Livestock Judging Practice School at State College in November and later the sale of pure bred by F.F.A. and 4-H clubs.

But it wasn't all work. In September we played hosts to the Homemaking girls at a rollerskating party at Lake Campbell. In return the girls helped us put on a successful Father and Son banquet in December, as shown in the picture. The high school dance in February was strictly Western style. During the summer the graduated members will take a trip to the Black Hills; the trip being revived since the war years.

Knit 2—purl 2—remember how we knitted, at least got our yarn twisted? Our tongues weren't silent either. At the meetings of Homemaking club president, Fern Johnson, Miss Tweeten and Mrs. Bates, advisers, really interested the girls in the handicraft projects. Making yarn dolls, tatting, stenciling, and rug braiding were some of these projects.

We became more closely affiliated with the National Future Homemakers of America. The initiation of our school bus for the district homemakers rally of November in Volga is just a memory now.

The parties and the music, not alone the food, were just more fun added to our projects.

How does the knitting go, Marjorie and Maxine?

"LOS AMIGOS" AT WORK AND PLAY

UPPER LEFT: Breaking the pinata at the Spanish Dance. LOWER LEFT: Spanish Sextet and pianist. ABOVE: Officers of "Los Amigos."

Hola, Amigos!

Saludos! No olviden las fiestas que tuvimos en el club. Bravo! What fun breaking the pinata. Magnifico! How we scrambled for the candy and nuts after the gay painted pig was broken at our Christmas Party and Spring Dance. (Recuerdan?) We danced rhythmic congas and Latin American folk dances at our Spanish fiesta and Pan-American Day assembly in April. Native Latin speakers enhanced our knowledge of Spanish with true stories of their southern lands.

I really enjoyed working with all of you at our monthly meetings. I remember in particular the Spanish games and plays we used to have and the music of old Mexico as it was warbled by our talented nightingales.

I hope "Los Amigos" has made you come to appreciate the culture of the Latin countries as much as it has me.

Marian Adams, La presidenta.

Lunches and pot luck suppers were big helps in getting Latin students to come "all out" to our monthly confabs. We started our year sponsoring a Red and Black Day during Bobcat Week and gave prizes to one of each class wearing the cleverest costume. In February we planned our Valentine Heart Hop and gave a skit for the Watertown basketball game.

Peggy Burdett served as our president.

Kinetic Club was composed of those students who had an interest in science and who maintained a B average or above.

At each meeting a phase of science was discussed such as radio, atomic bomb, photography, and electroplating. At some meetings movies were shown, and demonstrations were presented, such as the developing of negatives. Each member was required to complete a project during the year. The goals of the science club were to increase the scientific knowledge, improve skills in the field, and help to promote the Science Clubs of America.

Raymond Poula served as president.

Remember the fun we had in Industrial Arts Club those Thursday nights we spent working on our projects? It took hours of work and planning by Cliff Pickering, president, and Mr. Sterrett, adviser, and all club members to make this new club a success.

Those projects required a great deal of time. I don't know which was the most fun to make: the leather, plastic, or beaten brass articles. We never dreamed we could make presentable things by wood carving or clay modeling.

How we tantalized the high school with the aroma of popcorn on game days. This and the checking of coats at the games helped to swell our coffers. Not only the work but also the fun helped establish the Industrial Arts Club permanently.

Oh, that popcorn

DEBATE AND DECLAM

The fall of 1946 found thirty-three students eager to resume interscholastic debating in B. H. S. Because no regular class could be arranged, we had to schedule it as an extra-curricular activity. Only one night a week was available, but how the walls did reverberate with debate etiquette, procedure, strategy, evidence, and judging. Because of conflicts, the number of active members at the beginning of the second semester was sixteen. Of this group, the following earned forensic recognition by participating in sectional tournaments held in Madison and Sioux Falls: R. Miller, P. Stumley, D. Rykhus, C. Berkland—Affirmative; D. Rykhus, W. Johnson, D. Chapman, R. Doner, and D. Gamble—Negative. In the Tri-State meets we placed in the upper third for number of debates won and maintained this record in the Big Eight and Regional Tournaments held in Madison and Watertown.

Carol Gilkerson
State Winner

The call for Declamation went out early in the year and over thirty students reported. The competition was stiff and soon the number was cut to seven: B. Baker, C. Gilkerson, M. Moe, H. Durkee, L. Borst, B. Kellogg, and W. Sharp. Carol, Walter and Marjorie participated in the Regional Tournament in Clear Lake, and Marjorie and Walter received excellent while Carol rated superior. Carol went on to win a superior in the State Tournament at Huron in the dramatic division.

OUR UNDEFEATED

Our football record, this season, was marred only by a tie with a strong Mitchell team. The Eastern South Dakota Conference standings, computed by the Dickinson rating system, placed Brookings second to Aberdeen, undefeated and untied in conference competition.

We raised the curtain on the '46 season with a visit to Mitchell's Kernels. The 'Cats powered their way to a second quarter, 19-0 advantage before a flashy Mitchell backfield and Brookings defensive difficulties combined, later in the game, to even the score at 19-19.

Staging a comeback, we seized victory from a Sioux Falls eleven for the first time in nineteen years. The Warriors, big but inexperienced, fell victims by a score of 19-6.

We renewed gridiron rivalry with the Flandreau Indians in a home game on the following Friday. The hapless Redmen went down in defeat 46-0.

An underrated group of Cathedral Irish held the locals, on a muddy Bobcat field, to three touchdowns. The score: 21-0.

Watertown's Arrows provided our next competition in a match contested on the Watertown field. The Felines got the breaks and ended the game ahead by a 32-0 score.

'46 GRID RECORD

C. Christie, Manager

On Bobcat Day, Yankton displayed a brief spurt of power by racing for a second period touchdown, but dropped the tilt 40-6.

Huron, determined to avenge a 32-7, 1945 defeat, played a rugged game and held the Brookings eleven scoreless till midway in the second quarter, when a beautiful Bartling to Cheever pass scored the first touchdown and set the locals on the trail that ended: Brookings 20-Huron 0.

Pipestone's unpredictable Arrows, with a fast, brilliant backfield and a good line threw a scare into Coach Ginn's boys before bowing 26-6. After allowing two first period Brookings touchdowns, the Minnesotans dominated second quarter action and scored once to set the half-time tally at 12-6. The Bobcats came back strong to score twice more and clinch this non-conference thriller.

Speedster Gene Cheever led his mates against a much-beaten but game Madison eleven in the season's last pairing. Cheever's scoring exhibition in this contest placed him in a tie with Mitchell's John Cobb for conference individual scoring honors. Eugene also set a new school record for total individual scoring with 107 points. Though they provided the 'Cats with a few rough moments, the Bulldogs lost in this finale; 31-0.

The B Squad In Action

FOOTBALL STALWARTS OF THE FUTURE

Brookings High School's B and freshman football squads, the boys who will, in future years, earn the laurels for B. H. S., had a successful start; the B squad succeeded in winning all but two of their contests, with the freshmen winning a majority of their games. To their coach, Norman "Nig" Johnson, the progress shown by the boys was an encouraging factor. The success of these boys should be followed with interest because today's neophytes are the A squad regulars of tomorrow.

E. S. D. CONFERENCE CHAMPIONS

Our first conference championship title was earned this year by winning 17 of the 19 season's games. Bartling, Johnson, Nelson, Christensen, and Doner, the five mainstays, were all good shots, but were noted especially for their fine teamwork and strong defense. Herb Bartling was elected honorary captain at the end of the season by his teammates.

Heavy favorites to win the state tournament, the Cats defeated Mitchell in the opening round but were upset by Sturgis, the champions, in the semi-finals. Coming back strong the final night, the Cats downed Huron for third place in the tournament. Gardie Johnson and Herb Bartling were given berths on the All-Tourney Team.

The Bobkittens, made up entirely of freshmen and sophomores, will be Bobcats next year. In their games this year they showed that they have the ability and determination to make an impressive record in the next few years. The freshman boys showed future possibilities by winning the series of games that they played with the Junior High School.

1946 TRACK

The Brookings Bobcats came through the 1946 track season with a very impressive record. Outstanding this year in sprints were Paul Hansen and Gene Cheever, speed merchants for the Bobcat team.

The Bobcats took part in six major meets that year, their two outstanding contests being the Regional Meet and the E. S. D. Conference Meet. They won their Regional Meet by a comfortable margin of points and nosed out Sioux Falls in the Conference Meet to take second place.

At the season's end Paul Hansen, track letterman for four years, was elected captain by his mates.
